Dr. Pierce's Golden Medical Discovery makes a man who is run down and dis-pirited feel like a new being. It cures diseases of the stomach and other orans of digestion and nutrition, stirs the sluggish liver into action, and increases the activity of the blood-making glands, so that there is an abundant supply of pure, rich blood.

Mr. Edward Jacobs. of Marengo, Crawford Co., Indiana, writes: "After three years of suffering with liver trouble and malaria I gave up all hopes of ever getting stout again, the last chance was to try your medicine. I had tried all the home doctors and received but little relief. After taking three bottles of Dr. Pierce's Common McLical Discovery and one vial of his 'Pleasant Pellets' I am stout and hearty. It is due entirely to your wonderful medicines."

Dr. Pierce's Common Sense Medical Adviser, containing 1008 large pages, in paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing only. Address Dr. R. V. Pierce, Buffalo, N. Y.

On Our Guarantee and Get Well.

Do you ever have any trouble with Do you feel dizzy? Do you realize the fact that what you eat does not nourish you as it should?

If this is so, stop for your own sake and consider the danger you are in. It will only take a few minutes of your time to consider what we have to say.

Buy a bottle of VINOL and see if it does not do you good. If you find that we have overstated our belief and after a fair trial you find Vinol is not all we claim let us know and we will refund you what you have paid for the medicine.

Here is a letter on this subject:
"I had severe distress in my stomach,
dizziness, then a numb feeling all over. Finally I was sick in bed. Then I tried VINOL. I have now taken three bottles and I am again around the house attend-

ing to my duties. Mrs. C. F. Lewis, 95 Pool St., Biddeford, Me." VINOL accomplishes the good that it does by acting directly on the digestive organs and by enabling the stomach to obtain for itself the necessary elements that are required to build up the body.
